Goodnight Walk 2008 Amersham - Saturday 7th June

We are extremely excited to officially announce the date and venue for the 2008 ladies-only Goodnight Walk.

The walk will start at midnight from Amersham Community Centre. We are currently planning a route that we hope will include the new and old parts of Amersham and the Chalfonts.

Last year's event was the first of its kind for IRHH, and was a tremendous success with 240 ladies raising over £40,000. We hope to build on the success of 2007 by recruiting more walkers, arranging a circular route and raising even more money.

Register now for what promises to be another fantastic evening of fun, laughter and exercise. Simply fill in the form at the back of this booklet, or email fundraising@irrh.org and we will send you details.

We are also looking for marshals and helpers, male or female. If you are unable to take part in the walk we would love you to come and help us on the night!

Do not miss out on the opportunity to be part of this spectacular and special event.

We look forward to hearing from you.

- British 10k Run in London - see Page 8

OUR FUNDRAISING TEAMS

The IRHH Fundraising Team

L-R Alex, Jenny, Alli, Ruth & Liz

Based in the Tring office, our Community Fundraising team is always on hand to help and support anyone who is helping us raise money. Whether it's providing sponsorship

forms and posters, a speaker for an event, or arranging a cheque presentation, we ALWAYS look forward to hearing from our many supporters, and are constantly surprised and inspired by the ways people find to raise money.

We also organise events of our own, plus raffles, tombolas, or whatever is required for the occasion.

The team consists of Liz Clarke (Head of Fundraising), Ruth Barber, Jenny Moloney, Alli Harmer and Alex Evans. Louise Hewitt is currently on maternity leave, having given birth to baby Imogen last November. We are ably assisted by an enthusiastic, flexible and much-appreciated team of volunteers who help us in many different ways at events or in the office.

Please contact us on 01442 890222 or by emailing fundraising@irhh.org

The Pepper Foundation

The Pepper Foundation continues to provide funding for the Pepper Childrens' Nurses based with IRHH and our Family Support Team, and we are incredibly grateful for this long-standing and generous support. Pepper Chairman Jonathan Tweed recently presented IRHH Chief Executive Rowena Dean and the Fundraising Team with a cheque

for £40,000 renewing Pepper's commitment to supporting the nurses in their important work for children with terminal and life-limiting illnesses.

Pepper is now preparing for its 20th annual summer show, "Pepper's Rock Legends", which will feature high spots from the last two decades. Show Chairman, John Watts, is keen to hear from anyone who can lend a hand to help organise the area's biggest and best musical event. He writes:

"20 years ago today... it all started and Sgt Pepper is still rocking. What a brilliant achievement, and this year's show will feature the best of the last 20 years. We need lots of help to make "Pepper's Rock Legends" our most successful show so far and I would love to hear from anyone who is interested in getting involved by contributing their ideas, talent and enthusiasm so that we can get this celebratory show off to a great start."

You can contact John on 01442 866969 or email john@peppershow.com.

Beaconsfield Fundraising Group

The Beaconsfield Group has been busy as usual and had two successful autumn events plus its 10th annual Burns' Night on January 26th at the Curzon Centre in Beaconsfield, which was a complete sell-out!

The "Magical Evening" at Tylers Green Village Hall on November 3rd was also sold out and raised over £2000.

"Four in a Bar", a local Saxophone Quartet, set the evening off to a wonderful start and were followed by Alan Shaxon, President of the Magic Circle, who kept everyone amazed and baffled by his incredible skills of illusion and magic. Alan performed table magic during a three course dinner and then, having whetted everyone's appetites, he gave us a half hour show to wind up a very memorable evening.

On 16th October Neil Gurney (aka Miss Dorothy Wright) raised £2000 from another hilarious Floral Delights evening in Tylers Green Village Hall. Neil Gurney is a wonderful IRHH supporter and we thank him for his generosity in creating such a wonderful evening.

On **March 7th** we all hope to look 10 years younger after a style and colour lunch at the Fitzwilliam centre presented by Bekki James of House of Colour. Bekki will identify the colours and styles that will reveal your true potential and help you look your best for any occasion. Come along and be inspired!

Amersham & High Wycombe Fundraising Group

The Amersham & High Wycombe Group's diverse year continued with a busy autumn schedule. Everyone had an enjoyable time at Ian Keeble's "Magical Evening" in Coleshill Village Hall on 5th October, and at the end of the evening the Group presented IRHH Chief Executive Rowena Dean and Patrons Geoffrey Palmer and Bill Giles with a cheque for £30,000 from the events held throughout the year.

Various Christmas Coffee Mornings were a great source of income, with the sale of Christmas cards proving very successful. Light up a Life ceremonies and the Annual Service were also part of the Group's efforts for 2007 and members of the Group have been out and about giving talks to various clubs around the area which have brought unexpected financial bonuses and invitations to speak further afield.

On 22nd February the Group will be hosting "Gardening with Fergus Garrett" at Coleshill Village Hall. Fergus, the head gardener at Great Dixter and consultant to Wisley Gardens, will be talking and presenting slides about the gardens of Great Dixter. Tickets cost £12.50, including light refreshments, and are available from Christine Nisbet on 01494 812458.

Rhyme & Reason Fundraising Group

The Rhyme and Reason group has been very busy over the last few months launching the 2008 edition of their book as well as organising a number of other fundraising events, including a wonderful evening at the Jasmine restaurant in Beaconsfield.

Rhyme and Reason is an anthology of stories, poems and articles by new and established writers, with all proceeds donated to IRHH.

Geoffrey Palmer and Bill Turnbull took part in book-signings in the lead-up to Christmas.

The group has also organised a poetry competition this year which is £2 to enter and has some fantastic prizes. Please contact Ruth Barber on 01442 890222 or rbarber@irhh.org for more information.

Ruth was presented with a cheque for £1,500 in December and sales of the new book are looking very promising. Keep an eye out on the IRHH website for more upcoming Rhyme and Reason events.

For Pure Pleasure

Once again the "For Pure Pleasure" group supported IRHH by sending a cheque for £250

Watch out for this one as it will be a show with a definite WOW factor.

CORPORATE SUPPORT

Wycombe Wanderers Football Club

IRHH was proud and honoured to be selected as WWFC's first ever Charity of the Year. Our partnership ended at the end of 2007, having generated over £33,000 – our largest corporate partnership to date. The Wycombe Wanderers management team are truly amazing people and wonderful ambassadors for the game and the community. It's been an absolute joy to work with them.

WWFC have generously allowed us to use Adams Park to hold bucket collections, quiz nights, our AGM and various other functions. WWFC representatives have cheerfully joined us at various other functions throughout the year and undertaken significant physical challenges to boost our funds including parachute jumps, the Goodnight Walk, walking from High Wycombe to Cheltenham and cycling from High Wycombe to Torquay. They have really demonstrated their commitment to us in actions as well as words!

Thanks to WWFC we now have our very own Rennie Bear mascot too!

Quiz fans packed the Vere Suite at WWFC on 12th October for another fast-paced and lively quiz night. IRHH Patron & TV personality Bill Turnbull was an excellent question-master, reading a diverse and entertaining range of questions compiled by IRHH Chief Executive Rowena Dean and her husband Martin. The competition was hot, hot, hot but the winning team after a tiebreak was the Mayor of Dacorum's, consisting mainly of IRHH Fundraising Staff & Volunteers! The evening raised over £1,500.

We will miss our colleagues at WWFC a great deal but we will certainly be keeping in touch with everyone at the club who has given so much of themselves to this relationship.

Masika, Manager of Yates' Bar in Aylesbury, with Kayleigh, the winner of the local final of their nationwide Fame Finder 2007 competition, in aid of the Association of Children's Hospices and IRHH.

Mayor of Dacorum's campaign

IRHH are mid-way through our year as the chosen charity of the Mayor of Dacorum, Councillor Brian Ayling. Brian has had a very busy time indeed so far and IRHH events have featured strongly in his calendar. Some of the more unusual engagements in an action packed schedule for the Mayor and Mayoress have included officially opening a refurbished McDonalds restaurant at an IRHH fundraising launch day, opening the IRHH Bank Holiday Summer fete and judging the fun dog show. The Mayor also took part in – and won! – the 2007 Beaujolais Champagne Challenge and the quiz at Wycombe Wanderers.

Events hosted by the Mayor have included an excellent wine tasting evening held in conjunction with sponsors Kodak and a Christmas Concert by the Hemel Hempstead Theatre Company at the Boxmoor Playhouse which raised over £1,300.

We have more Mayoral Musical Treats in store soon - 15th February sees a wonderful Harp and Flute recital at the Civic Centre, and on 10th May Mr Kite's Benefit Band will be heading up a Rock and Roll Dance in Berkhamsted. For full details please see the What's On section at the back of this booklet.

Chairman of Buckinghamshire Building Society, Howard Machin, marks the company's Centenary year by presenting Liz Clarke and Linda Petrons with a cheque for £1,000 at the Members' Barbecue held in the Merlin's Cave pub in Chalfont St Giles.

CORPORATE SUPPORT

We are delighted that **Grundon** are sponsoring the carrier bags we use at all our shops. This very generous gesture enables us to make additional profit but just as importantly gets our name on the High Street. Our eye-catching bags are easily spotted.

It's not always about raising funds – donations of products and services are so valuable in releasing funds for the nursing service.

Robsons Estate Agents in

Amersham continue to provide great support for IRHH. Seven months into our partnership they

have donated over £4,500. In addition, Robsons partner, Peter Williams, nominated IRHH to receive funds from The Griffin Club and we were fortunate to receive a further £2,800 to support patient care in the Amersham area. Watch out for the Robsons boards that will appear in and around Amersham promoting the 2008 IRHH Goodnight Walk. We are delighted to have such wonderfully supportive partners in Amersham.

We are also grateful to **Christopher Pallet** in Princes Risborough and **Raffety Buckland** in Tring for their support.

Kodak were the main sponsor of the 2007 Beaujolais Champagne Challenge and hosted the Mayor of Dacorum's winetasting

at their office building in Hemel Hempstead. The lively evening attracted an excellent number of guests and achieved record wine sales of almost £5,000. Personal donations and fundraising by Kodak employees has added another £575 to our partnership total.

Liz Clarke receives a £500 donation from the newly refurbished **Tesco** store at Jarman Park, Hemel Hempstead. Staff chose IRHH to receive the donation as a considerable number of the team knew people who had been cared for by the IRHH nurses.

Khalil Khan, Branch Manager of **McDonalds** restaurant in Bourne End, presents Liz Clarke and the Mayor of Dacorum with a cheque for £520 following the refit of the popular restaurant.

McDonalds have also offered IRHH the opportunity to raise funds with a stall at the restaurant on future occasions.

Dragon Boat Racing

Sunday 15th June

River Thames, Marlow

We are looking for 6 teams to take part in the ancient Chinese sport of Dragon Boat Racing at a spectacular Regatta on the Thames in Marlow.

Each boat takes between 6-10 paddlers and a drummer, and you will race against other teams under the supervision of a qualified helm. Boats and safety equipment are supplied by the professionals in charge of the event.

Why not organise a team with your friends, family, colleagues or customers?
If you are interested, please get in touch with Stephen or Alex ASAP on 01442 890222 or email fundraising@irhh.org

IMAGINE standing at the edge of an open doorway in an aircraft flying at 10,000 feet - the noise of the engines and the wind ringing in your ears with only the outline of distant fields below.

Now **IMAGINE** leaning forward out of that doorway and letting go - falling forward into the clouds, diving down through the air as you start freefalling at over 120mph!

Then **IMAGINE** the peace and quiet as the canopy opens, the steering toggles come down either side of you and you begin a tranquil parachute descent from a mile up in the air, steering yourself back down to the centre of the drop zone below.

IMAGINE being able to do this for FREE whilst harnessed to a professional freefall parachute instructor and at the same time being able to help a really worthwhile charity!

*Stop imagining -
it's real and it's happening all the time so why not be part of it...*

OVERSEAS CHALLENGES

Take on the challenge of a lifetime to benefit you and many others

Saigon to Angkor Wat bike ride (Vietnam & Cambodia)

Cycle 500km past plantations, across

waterways and through villages deep in the heart of Mekong Delta in Vietnam to the dry lands and contrasting sights of ancient Cambodia. Pass temples and countless colourful pagodas, havens of calm and tranquillity and bustling markets. Few locals will have seen foreigners cycling past, and their interest and hospitality will inspire even the most tired cyclist to keep on pedalling.

Trek to Machu Picchu (Peru)

From the ancient Inca city of Cusco head towards the remote Lares Valley.

Experience a way of Peruvian life that has remained untouched for centuries as you walk through stunning valleys and meet Andean farmers dressed in their traditional brightly coloured ponchos tending herds of Llamas and Alpacas. Take in the hot springs in southern Peru, offering spectacular views of snowy peaks, glaciers and dazzling blue lakes. And of course the highlight of the trip - the ruins at Machu Picchu, the "lost City of the Incas". Nestled high in the Andes, they are one of the most beautiful and enigmatic ancient sites in the world.

Icelandic lava trek

Active volcanoes, sheer cliffs, glaciers, waterfalls, lava fields, plunging fjords, boiling mud pools and

spouting geysers! Walk through one of the most actively volcanic areas in Iceland. Experience the vastness of space with far-reaching visibility, crystal clear air and multi-coloured rocks. Such awe-inspiring terrain is rarely crossed by adventurers.

Great Wall of China discovery

The trek loops along the iconic stony path either side of the Gubeikou Gateway, twisting and winding its way across mountains interspersed with crumbling watchtowers. It is demanding but the spectacular scenery makes it very rewarding. Your imagination will take you back several centuries to when the wall was the frontline defence of Imperial China. Returning to Beijing to explore attractions such as the Forbidden City, the Temple of Heaven and the Lama Temple.

All of these experiences are sponsored events and participants are required to raise a minimum amount in order to take part.

If these locations don't float your boat, give us a call – there are many exotic alternatives to choose from!
