

Help us to make your donation go further

I want The Iain Rennie Hospice at Home to reclaim the tax on my donation(s) and confirm that I have paid at least 25p UK income tax or capital gains tax for each £1.00 I have donated. The Iain Rennie Hospice at Home will receive 25p for each £1.00 donated under Gift Aid. This means for instance that every £10.00 raised becomes £12.50 – at no extra cost to you! Just think what a difference that can make.

By completing this form you are confirming that:

- You are a UK taxpayer (you must have paid an amount of income or capital gains tax equal to the tax that we can reclaim on your donations in the appropriate tax year)
- You wish Iain Rennie Hospice Services Ltd. to act as your agent in selling the goods you have brought into the shop
- You wish The Iain Rennie Hospice at Home to claim tax on all donations you have made 4 years prior to this date and from this date forward for all future donations
- You are not acting as a business in bringing goods in for sale to any of the shops belonging to The Iain Rennie Hospice at Home.

Any goods which cannot be sold will be recycled and cannot be returned to the donor. We reserve the right to terminate this agreement at any time.

Protecting your personal data

Before we make any Gift Aid claim The Iain Rennie Hospice at Home may write to you to inform you of the money raised from the sale of your donations.

IRHH would like to keep you in touch with future events, activities and appeals. We will never sell or swap your details. If you would prefer not to receive any other communication from IRHH please contact IRHH at 52a Western Road Tring, HP23 4BB, info@irgh.org.uk or 01442 827699

Iain Rennie Hospice at Home (IRHH) gives patients with life-limiting illness the choice to be cared for in their own home. The charity operates in the Chilterns, and has recently extended its 24/7 specialist nursing service further into Hertfordshire by merging with Grove House. Iain Rennie Grove House Hospice Care will support 2,000 families every year, tailoring care to patients' needs, whether that is end of life care or support through treatment and into remission.
